RED to BLUE

FLIPPER

TEAM BLUE SCORECARD

James Thompson lost the race in Kansas, which just SUUUUUUCKS! The silver lining is that he only lost by 7 pts. Cheeto-in-chief won that district by 27 pts. And it took him, Ted Cruz, + every other right-wing scumbag to come out + rally their forces.

APRIL 18 ELECTIONS
JON OSSOFF
US House DIST. 6
Did best, but there will be a run-off.

Prince Chestnut
Ala. 6th State House
won
Lost ☹️ YAY!

APRIL 25 ELECTIONS
CT-7th State House Dist.
Ricky Pickney Sr.
won
Lost ☹️

CT-6th State House
Louis Esposito
won
Lost ☹️

MAY 9 is a REAL longshot (Trump won w/69%)
But it's OK! 2nd State House Dist. Go Steve Barnes!

May 23 - A bunch of elections in NY+NH. GO TEAM BLUE!

MAY 25 - ROB QUIST
Important seat we really, really need to win it. (see last issue)

So much political activity going on - and so much to keep track of. To try to make heads+tails of it all these three groups are ones to check out. See how you can get involved. We're all involved in politics in ways we never were before. Join in!

Some more useful activities to help stay sane in the Trumpocalypse

9. Resist bot is an easy text way to share your concerns with your representatives. What you text gets faxed to them. Text Resist to 50409.

10. Take care of yourself. Relax. Turn all the politics off now + then. Don't burn out.
